THE
NATION HELD
ITS BREATH

heartache, tension, and drama

Devastating problems have a way of pulling people together. The hostage crisis, lasting 444 days, strengthened and unified Americans. The hostage drama implanted several unforgettable images in our minds:

The waiting . . . our thoughts held hostage in a foreign land . . . our helplessness. Our hopes . . . rose and fell to the rhythm of a thousand news bulletins. Our deep sorrow . . . the brave servicemen . . . a tragic rescue attempt. Our faith . . . tied together by yellow ribbons.

We the class of 1981 dedicate this book of memories to the hostages. Their ordeal tore our hearts; their spirit unified our land; their courage made us proud to be Americans. Let us not settle for destruction and depression. Let us not stand for injustice, cruelty and prejudices. Let us change the troubled times. Let our memories alter our way of thinking, learning and living. Let us hope for peace in the future.

Seeing clearly into each others eyes; releasing
the spirit within the mask.

Abandoning roles and discovering paths to
question and seek unending travels.

Leave your mark.

Ours shapes unconstituted in an unfinished puzzle; each of us is a different and important piece.

Limitless boundaries call for a strong generation; our level of desire is the only confine.

Leave your mark.

To be yourself ...

To follow your dreams,

To speak your mind,

Life cannot be stacked in columns of hours; time offers much for those who use it.
We can learn and grow from yesterday, but today yields new opportunities.
Leave your mark.

Our high school moments are now memories to look fondly back at with no regrets.

Explore your desires and fulfill your ambitions; the future is ours.

Leave your mark.

To leave

your mark.

tell where his
influence ends.*

Mr. Harold Rosen — Principal

Mr. Arthur Stickler — Vice Principal

Mr. Francis Collins — Vice Principal

The class of 1981, would like to extend its warmest thanks to this year's administration. Through some difficulties of proposition 2½ they upheld their responsibilities as teachers and administrators, guiding us wisely. It is difficult to express our thanks to a group of such dedicated and hard working people. Thanks for all the time spent working for our benefit.

Mrs. Katherine Flaherty — Vice Principal

Mr. Rosen — "The lighter side".

SECRETARIES NURSES

The class of '81 would sincerely like to thank receptionists and secretaries for their patience and understanding in dealing with our many problems over the past 3 years.

Special thanks also goes to the nurses who did more than their required jobs. They set up programs to make students and teachers aware of such things as alcoholism with their Alcohol Awareness and their C.P.R. classes. Their extra effort is greatly appreciated.

PHYSICAL ED.

The Physical Education Department has placed an emphasis on individual and couple activities. Students have been given instructions in golf, archery, fencing, cross-country skiing, wieght training, and many other units. The units enhance good physical conditioning, speed, flexibility, and strength.

We would like to thank Miss Patricia Devereaux for teaching physical education the first half of the year replacing Miss Elizabeth Grady, who was on a "leave of absence" — continuing her education in an adventure type program in Wyoming.

GUIDANCE

The guidance department welcomed it's newest staff member, Mr. Amico. Along with the other counselors, the department strides to meet both the general and specific needs of all students, present and future. Occupational Guidance was still going strong this year. Headed by Ms. Elaine Fersh and staffed by Ed Beecher and Steve Mall, the Vocational Awareness program explored alternative careers and job counseling.

METCO/WALK-IN

The Walk In Center is an informal crisis Counseling center serving N.H.S. They are concerned with the well being and potential of all students. The Walk In Center provides many services to minimize the fears, tensions, and problems that often exist.

The Metco Program at N.H.S. offers a change of pace from the city schools. The students who participate in the program make many sacrifices to come here to learn from this schools academic program.

SOCIAL STUDIES

We congratulate the Class of 1981. Our hope is that your years at Natick High School have been rewarding and that we have contributed to your total learning experience.

The department commends you on your achievements in the classroom and in all your extra curricular activities. We were pleased to be able to sponsor out of class activities which we hope added dimension to your high school years.

On class Day we will again give recognition to the most outstanding Social Studies student through the Virginia Tartakoff Award.

We join with the total staff in wishing each of you success and happiness in the future.

SCIENCE

The science department this year welcomed two new teachers; Mrs. S. Luckey and Mr. B. McMahan, who came to us to teach biology.

With the cooperation of the Industrial Arts department a potting shed is being built in the court yard so that we may expand our use of the greenhouse.

This year 1195 students have wanted one of more of our 16 different courses and we are looking forward to the challenge of expanding our excellent additional offerings that the four year high school will bring.

QUINOBIN VOC.

Quinobin Vocational School is one of the many special needs services that Natick High provides for those students who intend to go right to work after graduation. The school gives specified training in cooking, electronics, carpentry, electricity, art, and many more. This school has helped many students find a trade in which they can work and live so that their lives are made fuller for the experience that the Vocational School has provided.

The Sophomore Executive Board has been busy this year organizing and raising funds for the class of '83. We have had several successful fund raisers. A Christmas holiday raffle was held with prizes such as a guitar, a clock radio and even a cake. We had a very successful Easter candy sale. Chocolate easter bunnies were sold as well as candy bars. The Executive Board has also been involved in production of a spring/summer fashion show, selection of class rings, plans for the 1982 Junior/Senior prom, and collection of class dues. Although hampered by erratic attendance at meetings, in all, the board has been quite productive.

The Student Council of 1980-81 was an active, ambitious organization. The council held two dances, in October and May; the second featuring four Natick High seniors. In March the Council brought "The Graduate" to Natick High. The Student Council also worked with outside organizations, holding two very successful Bloodmobiles and participating in the March of Dimes' WalkAmerica.

An outstanding characteristic of this year's Student Council was its dedication to upholding student rights. In November the Student Council organized an Anti-Proposition 2½ committee to distribute leaflets throughout the town and to carry signs on election day. And in April some members of the council attended a student rally in Boston to voice their opposition to Proposition 2½.

To raise money for scholarships the Student Council sold food and coffee at Adult education classes, sold buttons created by the students themselves, and held a very successful magazine drive. The result was four \$150 scholarships for the graduating seniors.

Students For Political Action, 1st row: L-R, Phyllis Dinninio, Linda Barrett, Elaine Coll, Debbie Shapiro, Vicki Bernstein, Stacy Nathanson, 2nd row: Erik Belt, Jeff Porter, Adam Gilbert, Jeff Black, Ken Brack

Students for political action advised by MR. Culhane is a group of students interested in politics and government. With this years election they had a lot to do and were very active. They divided their support evenly trying to help all canidates. The group was also very active in the anti Prop. 2½ movement. All in all We had a very productive year and are ready to welcome next years members.

What did you say, Paul Amabile wants to go out with me?

Myles Gilbert and Jeff Porter, Student Advisory Counsel to State Board of Education.

Student Advisory Board to School Committee, L-R, Phyllis Dininio, Adam Gilbert, Vicki Bernstein, Jeff Porter, Jeff Black

The student advisory board is a group of students interested in the welfare of the the Natick public school system. These five activists represent the student body of Natick High. They attend all school committee meetings, voicing our veiws and bringing back the decisions that affect Us. Their efforts are greatly appreciated.

The Competitive Speech Team advised by Gerald Dyer, began their 1980 season with an encouraging display of strength at a national invitational tournament held at St. Joseph's University in Philadelphia, Pennsylvania. Among the victors at Saint Joseph's was senior team president Debbie Shapiro, who took first place in both Dramatic Performance and Original Oratory. The team went on from Philly to qualify thirteen students for the National Catholic Forensic League Championship held in N.Y. City. To end the year, the Natick Speech Team triumphed over their rival school Milton Academy to win the Mass. Forensic League State Championship for the second year in a row. Four Natick High students became state champions in their categories, thus qualifying for the Grand National Forensic League Championship in Salt Lake City, Utah: senior J. Porter, boys extemporaneous speaking; junior L. Johnson, dramatic interpretation; and junior J. Ladd, girls extemporaneous speaking. Other seniors taking honors at the state tournament were E. Belt, L. Farrington, M.B. Goldberg, D. Press, and S. Waxler.

THE TEAM — Club Advisor — Gerald Dyer, President — Debbie Shapiro, Vice President — Jessica Ladd, Secretary — Tracy Saras, Treasurer — Jeffrey Porter, Roma Southwick, Gayle Siegel, Tina Parker, Maura Daly, Jean Kelly, Debbie Press, Elaine Coll, Jean Gooding, Sheryl Waxler, Michael Joachim, Lisa Johnson, Allan Ball, Dean Abbott, Renee Collette, Michael B. 1981 SKI CLUB

The 1981 Ski Club, under the direction of Ms. Jane Rogers, made one trip this season. Waterville Valley was the scene for 3 days of fun and spring skiing conditions when the group stayed at the Gateway Condominiums, in the town of Waterville. The Gateway's facilities included an indoor heated pool, sauna, game room and movies, all of which the club took advantage, when the second day of the three day trip got rained out. Each member of the group was issued a pass for a free day of skiing later on in the season.

Natick High Marching Band

The Natick high school marching band has been hard working and active this year. They got right into the swing of things by performing at this years first pep rally. They marched right into the football season working long afternoons and Saturdays making perfect the drills and pregame and half time performances. At mid year the marching band turns into the concert band.

Immediately beginning rehearsal for the candlelight concert in December. They performed their annual concerts at the three junior highs. Getting ready for next year the junior and sophomore members will play at class day and graduation exercises.

Candlelight '80 was a special evening for all. Even the weather cooperated to set the mood with a dusting of fluffy snow! The spirit of the season was set by the chamber singers in a candlelit procession and continued with performances by the Concert Choir and Concert Band, who combined in a festive arrangement of Christmas carols. Mr. Houston (complete with his inimitable hat) was presented with the Paddington Bear Look-Alike award, to the delight and amusement of all. Finally, the Chamber Singers (with Mrs. Bergmann on the ivories) returned to the stage in their show-choir debut, dressed in their jazzy new "red and whites."

THE NEW BEGINNING OF THE UNITED STATES

☆☆☆☆☆☆☆☆

A new President comes into office with some major new policies, which may, for better or for worse, alter the course of American History

This special issue of Sassamon examines how "Reaganomics" will affect you.

"So, are you busy Friday night??"

1st row: L-R, J. Porter, M. Gilbert, M. Edwards, R. Whinnem, 2nd row: K. Brack, J. Foley, L. Depalo, J. Johnson, L. Barret, V. Bernstein, 3rd row: J. Westerkamp, L. Mandozzi, Advisor — Mr. Holbrook

"Leave Your Mark"

A once whispering world meets your life,
pounding
like the waves
that threaten an island.
and Atlanta children cannot laugh
as white hooded racists pretend,
what do they wish to defend?
What do you —

The individual, an osprey near extinct
under
the wing of
a narcissistic
mirage, and El Salvador peasants drown
as the continuing chess game politic
obscures our lives, those militaholics —
and silence is condolence

Of guarded machinery engulfs time,
stealing
those dreams,
molded seasons of cost
and scurryings about the street empty
an ancestral native vision sails tolled,
bitter drunks fall and wander lost,
where are you?

Where are you?
beating
those wings against
the gale,
or snug with crowded flock,
I'm going to sail
leaving only memories,
the world wails and greets me,
and the threat
makes this spine tingle.

Ken Brack

"Sonnet I"

It is with you I dare to be myself.
I'm able to shed all pretense and shame
Taking my inner most feelings from deep
Beneath the shelf.

I can avow my envies, hates, vicious sparks by
Playing no game.

So many times I've looked to you
Knowing you'll understand those contradictions that lead
Others to misjudge.
Your love always helps to see me through
Commiserating passionately over a box of fudge.

It is with you I can share my hopes and dreams.
To come to you for company to talk for just a while
Making days brighter than it always seems
You're there when needed most with an encouraging
Word or a friendly smile.
I've shared with you a world of special things
I've learned from you the precious joys that only
friendship brings.

The 1981 Planetarium, Radio & Photography Club consists of a number of talented students within the high school. These students gathered weekly over the course of the year to discuss new techniques and share ideas with one another. This group was directed by Mr. Jameson who always had something new to teach the members of the club.

The 1981 Bermuda Bunch, consisting of twenty junior and senior girls, along with chaperones Mrs. Carter and Miss DiGiandomenico spent a week in sunny Bermuda over the April vacation. The group stayed at the Bermudiana Hotel and enjoyed the beautiful beaches surrounding them. The girls enjoyed swimming, sunning, exploring and buzzing around on mopeds during the day along with dancing, dining and enjoying the night life during the evenings.

The International Students Club is a group of students who share an interest in other countries. This year the club discussed cross-cultural experiences and student exchange programs. We had the pleasure of listening to two Natick High School students tell of their personal experiences with the Amigos de las Americas program. In addition, the International Students Club published a newspaper called "The Globe Trotter", which featured a variety of articles on foreign food, fashion, and travel. The club welcomes all new members.

The Natick high school credit union is a banking institution within the school. Students can open accounts, cash checks, and even take out a loan. It is conveniently located in front of the nurses office. Supervized by Mr. Thibault, students interested in banking or business volunteer their free periods to run the credit union. New accounts and volunteers are always welcome.

The Blue Flame

Flickering in a subtle glow
The blue flame
Lights the path
For those who are lost and need a
guiding light.

It is not fiery yellow.
or orange,
with the power
To perpetrate fatal, warlike destruction.

But bringing promises of peace,
The blue flame
serenely
radiates
The hope of millions for a brighter
future.

The Feeling . . .

Of time rushing past.
So quickly — too quickly!
Many friends will soon leave
To go out on their own,
Bringing closer thoughts of my future.
Senior year rushes to meet me,
College just around the corner.
I feel . . .
As if I'm sprinting through the days
Out of breath, wanting to slow the pace.
Slow the hours to minutes
To savour each mote fully,
To postpone the future —
Scared of what will come,
The changes I may not like.
I wish . . .
for everyone and everything to remain
the same,
To keep the closeness,
The affection of my friends
for time to stand still
If not,
Than for life always to be as good —
as now!

A Pawn in the Game

Everybody trying to be somebody
Trying to be unique.
Just when you have it they say
I'm sorry
You've got to earn your keep.
You say you're better
They say you are the same.
Then what's it matter
You're just a pawn in the game.
You try something new.
You try something unseen.
But it's just what they tell you,
A pawn can't take a queen.
So as it happens.
You're just a pawn in the game.

Waiting For Sunrise

I squint at the slaps
as the breeze whips my hair
about my face
I listen as waves
crash
head on with the shore
Each crash —
part of me torn,
ripped by claws in inner caves.
I'm held in place by your cold
steel bars
My feelings never chance
to escape this prison
held within by your key.
Shaking from the cold,
into the fetal position
My body curls,
SCREAMING
from the torturing ache.
My soul once shone brightly:
Now, destroyed by your hate,
burns without a flame.

Driven to crawl, to plead —
Fettered by chain links
now secured.
struggling
'till
limp I fall —
My grotesquely-hollow eyes
staring at streams
of the morning light
as the surf
washes across my body.

Fame

As I walked out upon the stage
I wondered was this fame,
The crowd, the applause, the outrage,
I wished it wasn't like a game.
The seats were now empty; what a shame.
And I asked myself was this for me?
No one was here who knew my name,
Is this what fame was supposed to be?
The spotlight shines in my eyes so I can't see,
My mind has wandered to a distant place,
Has forte instilled this emptiness in me.
As I sit here in this lonely place?
Someday I will find a way to bring
The loneliness out of me while I sing.

The art of drawing is an art in itself
It's not something you learn from a book on a shelf.
It is a talent that must come naturally
Because drawing cannot be learned mechanically.
There are different types of art.
Some of which you cannot tell apart.
And people ask "What is that?"
But there needn't be reason behind its format.
In there art, artists can reflect best the times and themselves.
Just as well as any history book on a shelf
I hope that someday soon, with hard work and luck
My artwork will get me much needed bucks.
But money isn't what makes a piece of art,
It's value is what comes from the artists heart.

FOOTBALL

Thomas tumbles tackler

The 1980 Redmen held their first official meeting, led by Coach Lamb and captains Cooke, Flutie, Perry, and Thomas, on Sunday night August 24th.

The following week was one of grueling work, in 90 temps, for up to 6 hours a day. The team never stopped working until November 27, a cold Thanksgiving Thursday, when they left the grayness of Bowditch field with a big victory over Framingham South.

In between there were many ups and downs, the big win in the opener against Waltham, to the loss of 2 of our 4 captains to injuries.

But through it all there was one thing this team refused to do. The team refused to give up one ounce of effort, they refused to give less than 110%.

This the varsity football team of 1980 rose above and played like true champions all season long.

Setting up to score.

The Natick High School 1980-81 Varsity Hockey Team had a very successful and thrilling season. The team finished 13-2-3 and were in first place for the first seventeen games, and in the last game faced Framingham South for the Bay State League crown. Before a record crowd of 3,000 people at West Suburban Arena, the Redmen fell 6-4 in a very exciting game.

The Redmen again qualified for the state tourney as they have in the last five years, but lost to Marblehead 7-3.

The team was coached by Bill LaCouture and captained by Rich Costello, Brian Till and Bob Murphy. The seniors on the team were Tom Sheehy, Mike Phipps, Keith Pogarian, and Chris D'Antonio, who along with the captains, all played well.

Three outstanding young men and hockey players from Natick were chosen to the Bay State League All-Star Team. Rich Costello, Sr., Tri-captain forward, Senior Brian Till, forward and Senior Bob Murphy on defense. In addition, the top two scorers in the Bay State League were Rich Costello and Brian Till. Also, Rich Costello was selected by the coaches as the Most Valuable Player in the Bay State League for the second year in a row, was co-winner of the best player in Massachusetts, and was selected to the first team All-Scholastic in the Boston Globe.

The 1981 Girl's Gymnastics team posted an excellent 8-1 record, placing them at second place in the Bay State League. The team was lead by two fine coaches, Patti Devereaux and Steve Fagan. The honor of captain was held by Katy Murphy, who did a fantastic job. The team was fortunate this year to pick up many talented sophomores which added much depth to the team. Sophomore Ginny Roberts received the MIP award and junior Jacqui White received the MVP award. Next year the team will be lead by captains Jacqui White and Mary Beth Paul.

The 47 young men and women on the team put in many hard hours of practice. Some of the outstanding seniors were Eric Belt, John Cavanaugh, Jeff Cutler, Jean Kelly, Steve Handelsman, Mike Skinner and Chris Wolfe. Other stars were Chipper Chase and Bill Johnson. REBOUND!!!

The 1981 Redmen Basketball team coached by Mr. Christie finished at 12-6 in the B.S.L. this year and 13-7 overall. It was disappointing when they finished only 1 game out from a tourney berth but they were all champs. The team was once again blessed to have starting co-captains Doug Flutie and Eric Schmidt who both played consistant ball. Other contributors were Donald Cleveland, Tony Luisi, Mark Trabucco, Charlie Mulholland and the players on the bench also did great. Yes, Natick basketball was #1, maybe not in the standings but certainly in the hearts of it's fans.

The 1980-81 Edition of the Natick High School Baseball Team posted a Record of 11-7 in the League and 15-9 over-all.

The highlights of the season were a non-league victory over powerful Algonquin Regional and a tournament victory against Billerica. Natick's loss to Lowell in the second round of the Tourney, 7-6, was a heart-breaker to the number one ranked team in the state.

Alvin Taylor led the team in hitting followed by Doug Flutie and Doug Wright.

Team work, even off the track!

Natick wins again!

The NHS Girl's Track Team, again ended the season winners. Under the leadership of Coach Brenneman, Assistant Coach Obshatkin, and co-captains Jean Kelly and Sue Goldschmidt, the girls kept with the tradition of a winning team. Their record was 7-2, which placed them in second place overall in the Bay State League. Also the team's 440 relay team set a new school record. The team will be losing three seniors who did a fine job, but because only three are leaving the outlook for next year is promising.

First row D. Johnson, R. Rivin, C. Glazer, N. Boyle, Capt. V. Bernstein, R. Bruni, K. Quilty, B. Landry. Back row Coach Leavitt, E. Ambrose, L. Garrott, S. Bresse, C. Crohan, L. Moratta, J. Kelly, C. Bowdin, A. Nelson.

1981 Jr. Varsity Team

The Varsity team completed another winning season with an 11-7 record, tying for second place in the tough Bay State League; just missing a tie for first place.

Outstanding play by seniors Vicki Bernstein (Captain), Nancy Boyle, Robin Bruni and Caryn Glazer kept Natick at or near the top of the league all season.

MVP award went to 3-year varsity pitcher Caryn Glazer. Most improved player award went to Lori Marotta.

With 11 returning lettermen, the team is looking forward to next year. Tri-Captains are Elaine Ambrose, Dara Johnson and Rachel Rivin who was a Bay State League All-Star. The junior varsity also had a winning record at 10-8.

GIRLS GIRLS GIRLS

Coach Emmy Cook's Varsity Tennis Team, led by co-captains Judy Quirk and Nancy Spezzano finished out the season with an 8-10 record. Judy was voted MVP by her teammates, while playing in the second singles position. Junior Karen Levy was voted Most Improved Player and teamed up with Chris Demasi in first doubles. Nancy Spezzano along with Sophomore Erin Morrissey formed a very strong second doubles team. Senior Sue Feit was impressive at third singles, while Senior Lesli Palladino and sophomore Margie Packer also made significant contributions.

First row l to r: C. Demasi, S. Feit, Co-captains J. Quirk and N. Spezzano, M. Packer, E. Morrissey. Second row l to r: L. Palladino, K. Levy, A. Taylor, L. Pocher, S. Sallet, J. Burwick, G. Siegal, R. Fox, Coach Emmy Cook.

Co-captain Myles Gilbert with a threatening volley.

Co-captain Jay Stone with a graceful forehand.

The 1981 Boy's Tennis Team finished the season with a record of 11 wins and 7 losses. The team was greatly saddened when co-captain Myles Gilbert was lost for half the season, due to torn ligaments. The success of the team was due in part to senior Jay Stone, co-captain, who was voted Most Valuable Player; Junior Mike Ellonbogan, and towards the end of the season, senior Myles Gilbert, co-captain.

The teammates voted Senior Al Seymour as this years Unsung Hero, and Junior Greg Spezzano as Most Improved Player. Mike Ellonbogan and Greg Spezzano were voted co-captains for the 1982 season.

1st row L. McDermott, J. Foley, P. Manning, J. Hartnett, K. Furey, L. Mandozzi, L. Trifiro. 2nd row L. Wolk, G. Roberts, M.C. Burns, D. Potter, G. Quigley, K. Dugan, T. Parker, C. C. Clancy, J. Zirlen, M. Christie, S. Hill, S. DeAngelo, S. Hottleman, Coach B. Grady

Lisa Trifiro on the run

The Natick girls' lacrosse team once again did an outstanding job not only playing extremely hard, but also working just as hard to support themselves throughout another season. The girls' record was six wins and seven losses. Although the girls did not have a winning season, their pride and determination showed the willingness to, one day, make the team a varsity sport.

Captains were Kristin Furey, Julie Hartnett and Pauline Manning. Kristin Furey was also voted most valuable player and high scorer.

Many thanks goes to Coach Grady for her generous support, and for always being there to keep the team playing with a smile.

EWING???

EWING???

EWING???

Col. Sanders - John Benham

Steve McQueen, 50. His china-blue eyes were almost as famous as Paul Newman's, and his two dozen macho roles—

John McCormack, 88, the Boston Irishman who boot-strapped his way from poverty to be Speaker of the House of Representatives: in a nursing home in Dedham Mass., Nov. 22.

Jesse Owens, 66, black track-and-field star whose four gold medals in the 1936 Berlin Olympics dashed Hitler's dream of staging a showcase for Aryan supremacy.

George Meany, 85, gruff, cigar-puffing chieftain of U.S. labor who rose from Bronx plumber to president of the AFL-CIO from its birth, in 1955, to 1979. Whether battling for fuller union lunch pails, assailing Communism, or dismissing critics who accused him of being too conservative, Meany lectured Presidents and public alike with equal bluntness.

Alexei Kosygin, 76, pragmatic politician-engineer who, with Leonid Brezhnev, wrested power from Nikita Khrushchev in 1964 and served as Premier until, in failing health, he quit his post last October.

Peter Sellers, 54, peerless English master of mirth, a man of many faces who slipped easily into parts as diverse as the crazed Dr. Strangelove, the bumbling Inspector Clouseau of *Pink Panther* fame and the brilliantly bland gardener turned presidential adviser in *Being There*.

Mohammed Reza Pahlavi, Shah of Iran, 60. Becoming Shahanshah (King of Kings) of Iran at 21, he was forced into exile a decade later and returned in 1953, with help from the CIA, determined to transform his feudal nation into a modern state. Increasingly imperious and remote, he was driven again from his land in 1979 when his reform-minded "white revolution" aroused traditionalist Muslims and begat a very different revolt. In the end, he straggled through five countries as an unwanted guest before dying in Egypt.

Josip Broz Tito, 87. Wily, autocratic, ruthless and more than a little vain, Tito effectively ruled Yugoslavia's ethnic crazy quilt for nearly 35 years. Breaking with Stalin in 1948, he fashioned an unorthodox Communism streaked with touches of capitalism ("self-management"). In the 1950s he helped found the "nonaligned" movement, to which most Third World nations now profess allegiance.

Mae West, 87. "When I'm good, I'm very good, but when I'm bad, I'm better," she cooed, and nobody made sex more of a laughing matter than the voluptuous blond from Brooklyn. Winking and leering across the screen during her heyday in the 1930s, Mae delighted a generation with her slightly suggestive one-liners.

DIED. Bob Marley, 36, reggae superstar who became the foremost proponent of the jagged, pulsing Caribbean sound and a major factor in its popularity and influence; of cancer; in Miami. Son of an English army captain and a Jamaican native, he founded his band, the Wailers, in 1964, but did not achieve commercial success until more than a decade later. Marley, whose song *I Shot the Sheriff* was made a hit by Eric Clapton in 1974, was an outspoken advocate of Rastafarianism, a Jamaica-based political-religious cult embracing a variety of ideas and trends: reggae music, marijuana use, a return to the "promised land" in Africa and belief in the divinity of the late Emperor Haile Selassie of Ethiopia.

Registering to give blood.

A patient in good hands.

The Red Cross Bloodmobile visited Natick High School for the annual blood drive this fall. Sponsored by the student council, members were on hand to make the donating a little easier. They offered encouraging words, held the hands of first time donors, and even told jokes. The council did a great job and collected 72 pints of blood.

The Bloodmobile returned on Saint Patrick's day, (March 17.) for an even more successful day. With the help of the student council, the Red Cross collected 106 pints of blood.

TWO BY TWO

On the weekends of October 31st and November 7th, the senior class play, "Two by Two" was held in the planetarium. Brilliantly staged and directed by Mr. Gerald Dyer, Richard Rodgers' musical version of the story of Noah's Ark came alive, with a little help from eight very talented seniors, a gifted musical director and an extremely innovative technical director.

Tom Powers, Dean Abbott, Jon Kates produce the thundering sounds with devine inspiration.

The directors: Gerald Dyer, Karen Bergmann and Edward Jameson.

Shelly and Ben rehearsed this scene devotedly.

Noah and director Dyer both show their age!

Allan Davidson as Noah — The dove has flown the coop.

Make it cutsie? Hold the pose!!!

Neil and James Keohane — Lights and sound in a double image.

An intense moment; Japheth consoles Rachel.

Allan Davidson, starring as the 600 year-old Noah, charmed his audience from start to finish, and was well supported by his wife Esther (Debbie Shapiro), their three sons, Shem (Michael B. Goldberg), Ham (Stephen Nole), and Japheth (Benjamin Morse) and their wives, Leah (Debralyn Press), Goldie (Linda Farrington), and Rachel (Shelly Marr). Mrs. Karen J. Bergmann took care of the musical end of the show while Mr. Edward Jameson worked to exploit every possible advantage of the planetarium-theater.

Linda Farrington (Goldie), the girl of the Golden Ram wows Steve Nole (Ham).

Debbie Press (Leah) gets carried away!

Esther dies in Noah's arms; Why did you have to go and do that, Girlie?

On Saturday, December 20th, the Natick High School Competitive Speech Team hosted the prestigious Holly Speech Festival at Natick. The Holly is the largest one-day festival held in the country. Student Director and Vice-President of the team, Jessica Ladd, in cooperation with Tournament Director Mr. Richard Gaudette, did extensive planning to make the festival the success it was. Help also came from the many parents who volunteered their time. Much appreciation was given to the many student volunteers, as well. Seniors receiving awards were, Debbie Shapiro, Jeff Porter, Sheryl Waxler, Michael B. Goldberg and Dean Abbott.

The senior semi-formal consisted of a buffet dinner with dancing to the sounds of "Ricochet", a local rock band made up of Natick seniors, Ken Brack, Alan Hurwitz, Jen Foley, Dana Crovo and N.H.S. graduate Benny King. A great time was had by all.

Camelot

The school musical "Camelot" was a smash success. The kingdom of King Arthur and Queen Guenevere came to life on the Natick High School stage for "one brief shining moment." Mr. Dyer, the director, started rehearsals the second week of December and by March 5th had molded an off-Broadway show. Mrs. Bergmann was the music director who worked with both chorus and soloists and who also assembled the talented 22 piece orchestra. Their work made "Camelot" a memorable experience for both the cast and the audience. Senior Ben Morse played the idealistic King Arthur. Junior Lisa Johnson portrayed the love-torn Queen Guenevere. Phil Fougere, a Junior, played the part of the debonair Lancelot. Allan Davidson was the comical King Pellinore. The cast and crew of 62 people worked every day after school (and then some) to put together the Lerner and Loewe musical. The Dyer-Bergmann Connection is sure to keep up their superb record of fine shows in the future.

The day of the Pops Concert was a very eventful one indeed. The Natick High School Concert Choir traveled to the Massachusetts State Choral Competition and placed second. This would also be the last concert for the Senior Choir and band members and also for Mr. Lee Bachini and Mr. Bruce Houston. During the concert awards for Outstanding Musician's were given to Julie Daigle in band, Nancy Mason in Jazz, and Ben Morse and Shelly Marr in Chorus. An unexpected guest from "out of this world" showed up to direct the "Empire Strikes Back." The Percussion ensemble and chamber singers also put on super performances to top off this wonderful May evening of music and memories.

The Sophomore class sponsored a "Spring into Summer with Style" fashion show on April 29th. The Sophomore class advisor Mrs. Carter with the assistance of Miss McCormick organized the show. Question 2

Prior to the November election, many Natick High students worked hard campaigning against Proposition 2½ by leafleting, holding signs at the polls and co-sponsoring a Prop. 2½ forum. Despite their efforts the tax cutting legislation passed and Natick schools will be suffering their share of losses as a result of its implementation. Among the budget cuts are the reduction of the professional staff by 107 positions, the reduction of all operating accounts including text books and athletics, and the closing of Coolidge Junior High along with Murphy and West elementary schools. The new 1981-1982 \$11,974,210 school budget resembles the figure used five years ago in the 1976-1977 school year. On behalf of the class of 1981, we appreciate the dedication, enthusiasm and understanding of the teachers who are leaving us. We sincerely hope the future holds happiness for each of them.

Jeff Porter addresses the crowd.

The answers to factual questions come easily, but the answers to questions about who you are and where you are going involve a life time search. We must determine somewhat of a direction, decide if it will develop, advance and add to the special qualities we already posses. We have made some preliminary discoveries about our goals, but our first milestone lies ahead. It is important to know where we stand, what our responsibilities entail and what we're up against. To have **CONFIDENCE** knowing whatever it is we **CAN** do it. Eleanor Roosevelt once said "Look Fear In The Face. You Must Do The Thing You Think You Cannot."

There is nothing so terrible about failing and feeling pain, what hurts in the long run is not trying because of the fear of pain. The only thing to fear is that you will not be worthy of your own suffering. You should constantly remember that **YOU ARE** worthy of your own suffering and if you allow it and use it to increase your self knowledge you will be able to have the moments of **Joy** that will inevitably follow.

It seems to me that the capacity for finding joy in the most ordinary events (watching a flower open, leaves turning) **DEATH MAKES LIFE MORE PRECIOUS; FRUSTRATION MAKES SUCCESS MORE FULFILLING.** To live life fully and successfully, we must learn to **Use** things and **Love** people . . . **NOT Love** things and **Use** people!

Most of us tend to think of ourselves as unsuccessful. We concentrate on what we haven't done instead of the positive way in which we have moved. All of us through out our lives mark the change from one phase of growth to the next with rites of passage; From a drivers license to receiving a diploma. These are small milestones with significant implications that tell you your world is not **exactly** as it was. **TO** be able to abandon altogether the search for security and reach out to the risk of living with both arms. One had to **EMBRACE** the world like a lover, and to accept pain as a condition of existence.

I would now like to read a poem that leaves us a thought to carry on with.

DON'T QUIT

When things go wrong, as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit —
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a person turns about
When they might have won had they stuck it out.
Don't give up though the pace seems slow —
You may succeed with another blow.

Often the struggler has given up
When he might have captured the victor's cup!
And he learned too late when the night came down,
How close he was to the golden crown.

Success is failure turned inside out —
So stick to the fight when your hardest hit, —
It's when things seem worst that you mustn't quit.

On this note, I would like to extend a warm welcome to those of you who have made it possible for us not to **quit**; Parents, Relatives and Friends of the graduating SENIORS OF 1981.

CLASS HISTORY

HIGHLIGHTS OF THE HISTORY OF THE CLASS OF 1981

When we began our high school career in the fall of 1978, we thought of ourselves as suave young sophisticates. However, we were shocked to learn that, compared to the upper classmen, we had a long way to go. Now that we are seniors, it is time to reflect upon the past three years and see how they have turned us into those mature adults.

Our sophomore year's class officers were Vicki Bernstien, President; Tammy Parker, Vice-President; Diane Cabo, Secretary; and Steven Handelsman, Treasurer.

The year 1978 seemed to be a year of firsts. New exciting programs of study were offered to give more variety to the established curriculum to help the students. Quinnobean Vocational School was established, offering all students the opportunity to gain "hands on" experience and training in such trade professions as cooking, masonry, carpentry, and electronics. Also, an Advanced Placement English class was instituted, affording our students an opportunity to earn college credits from high school courses.

Other firsts were in the athletic area. As sophomores, we cheered our hockey team, which placed first in the Bay State League, and continued our support when they traveled to Boston Garden to compete in a tournament game. The basketball team defeated their rival, Framingham South High School, in a dramatic end-of-season game to capture the League championship.

In the never ending war to raise money, unique fund raisers were devised to aid such organizations as the National Honor Society, the Chorus, and the Speech Team. It was the year of "the Flower Day", "the Singing Telegram", "the Chocolate Easter Bunny", the Fashion Show", and "the Button Sale", all establishing new traditions here at Natick High School.

When we returned in the fall of 1979, our newly elected class officers took charge of the destinies of the class. These new officers were Tammy Parker, President; Diane Cabo, Vice-President; Stephen Ehrlich, Secretary; and Steven Handelsman, Treasurer.

This year, we saw the creation of the National Art Honor Society, established to give recognition to the creative abilities of the talented artists here at Natick High. Then, spirit and color were added to our football games with the addition of the new Flag

Squad, under the direction of Mr. Bruce Houston. Another first was "Homecoming Day" when we invited the previous year's seniors to return to those familiar corridors, to rekindle past memories, and to receive their award-winning yearbooks.

One controversial issue was the return of prayer to the classroom, however brief; the state Supreme Court shortly declared it to be unconstitutional.

We were distraught at losing our soon-to-be senior privileges, one being the senior lounge, which we lost in the name of education. It was converted into what is now known as the Educational Conference Room.

The entire school, concerned with the plight of the starving Cambodian refugees, joined together in a fund-raising drive spearheaded by Adam Gilbert and raised \$1800.00 for these refugees.

Our section of the country suddenly seemed to be the center of several exciting events. In Boston, the newly completed Kennedy Library was dedicated; Pierre Salinger, President John Kennedy's Press Secretary, visited us at Natick High School and spoke of those historic days and the dream of "Camelot". During the Winter Olympics in Lake Placid, New York, we beamed with national pride as the U.S. hockey team spectacularly defeated the Russians and went on to capture the Gold Medal. In October, Pope John Paul II came to Boston, greeting literally millions of us.

Members of our class received many awards and honors. Jennifer Foley was chosen our representative to Girls' State, where she learned more about the workings of our government. Erik Belt was recognized at Class Day, 1980, for his scholarship in English by being named the recipient of the Brown University Book Award. Phyllis Dininio also was honored for scholastic achievement when she was awarded the Harvard University Book Award. Finally, Jeffrey Levy received national recognition when he was awarded a Junior Achievement Award.

We began our final year led by very experienced and competent officers: Tammy Parker, President; Diane Cabo, Vice-President; Sue Goldschmidt, Secretary; and Jon Rich, Treasurer.

During the fall of our senior year, we were concerned with the Presidential elections. President Ronald Reagan won by a margin

much greater than everyone expected. At the same time the voters of Massachusetts were about to vote on a tax roll back: Proposition 2½. Students reacted to this by forming the Student Political Action Committee under the guidance of Mr. Edward P. Culhane. A subcommittee against Proposition 2½ was headed up by Adam Gilbert. Despite our efforts, Prop 2½ passed. Proposition 2½ effected most of the public school systems throughout the state by cutting teachers, eliminating elective programs, enlarging classes, and threatening athletic programs.

As did the entire world, we grieved for the assassinated John Lennon; we were shocked at the attempts on President Reagan and on Pope John Paul II. These acts are beyond our understanding. One positive note during this time was the final release of the fifty-two American hostages who had been held by the Iranian government for more than a year. For them, we rejoiced.

At Natick High, as seniors, we continued to involve ourselves in school activities and in building school spirit. Miss Kimberly Billett organized a squad of "Indians" who added color and excitement for the enjoyment of the fans at the "1980" football games. Our Winter Cotillon was the first successful one in three years. The band, "Ricochet", composed of Natick High School seniors past and present was so well received that they were asked to play at the Spring Student Council Dance. The members of the National Honor Society raised money for the **Globe** Santa program. Student council members sponsored a Blood Mobile, collecting over a hundred pints of blood for the Red Cross. The National Art Honor Society organized a highly successful Arts Festival featuring music, student dancing, and exhibits of student art.

Our senior class produced the musical play **Two By Two**, with Allen Davidson, Debbie Shapiro, and Ben Morse playing the leading roles. Ben also starred as "King Arthur" in the spring all-school musical, **Camelot**. Many other seniors participated in this musical comedy and helped to make it the enormous success that it was.

As seniors, we were a class of champions. Our boys' swim team swam to victory with a perfect record. The Speech Team continued its championship tradition by placing "First in the Central New England Catholic Forensic League and was declared the Massachusetts Champions. Among the seniors, outstanding perfor-

mances were given by Debbie Shapiro, who won two first places in the National Invitational Tournament, and by Jeffery Porter, who was declared the State Champion in Boys' Extemporaneous Speaking. Scholastically, Michael B. Goldberg is certainly a champion. He was recently nominated as one of 1,000 outstanding students named as a finalist in the President's Scholar Program in Washington, D.C. Michael has also won a National Merit Scholarship and was chosen one of twenty-four youths in the country designated a Kimball Scholar, which awarded him a four-year scholarship to Brigham Young University.

An international flair was added to our class as we welcomed Frederik Meurling, and exchange student from Sweden, Alex Porto, from Argentina, and Jianan Chen, from Peking, China.

Musically speaking, Shelly Marr and Ben Morse were selected to participate in the All-Eastern Chorus. The Chamber Singers were invited to take part in the annual Youth Music Festival to be held in Vienna, Austria, in 1982. Shelly Marr, John Adams, Steve Nole, Ben Morse, Alan Davidson, and Michael B. Goldberg won places in the All-State Chorus.

Band members Jon Kates, Alan Hurwitz, Evana Gerstman, and Julie Daigle competed for and were selected to the Northeast District Band.

Concerning athletics, Doug Flutie, recognized for his outstanding athletic ability, was elected to the High School Hall of Fame. Rich Costello qualified for the Eastern Junior Olympics. Russel Whinnem completed the Boston Marathon for the second straight year. Mr. John Carroll, Director of Athletics and coach of our baseball team, was elected to the Coaches' Hall of Fame.

The last three years have given us something to cherish and look back upon. We would like to express our gratitude to Mrs. Katherine Flaherty, Mr. Michael Panchuck, our class officers, and to everyone who has helped and guided us through our years at Natick High School.

 I, Wock, leave my love to Pookie.
 I, D.M., leave K.J.F. saying sorry for all the dumb things I did while going out.
 Locker # 1925 leaves locker # 1924 the new July Issue.
 I, Evana, leave Debbie Shapiro an alarm clock that will get her up at 5:00, a new "evening" bathrobe for those late night I.R. drop offs, a years supply of anti-neurotic pills, and much luck in Wellesley.
 I, Caryn Glazer, leave Carlie Wallace a free pass to UMSS.
 I leave Larry Strasner an A&P probe stuck in his back.
 I leave Buns with a "dirty" note book.
 Mike and Donna leave Mr. Benson with a pair of unchapped lips.
 I, Guida, leave Mernam, Eugena and Weena a fish on their dish.
 I, Donna, leave Emily with the thought that we will soon be roomies.
 I Jan, leave Mare with all her class, sending me to the poor house.
 We, the yearbook bake sale staff leave Ms. Rogers still eating the munchies at the bake sales & many thanks!
 We all leave Schnogums one feather earring.
 I, Emily Walk, leave Nancy Irwin a present that's under \$1.00, but "that's okay."
 Shemp, Shrimp, Nelson and John Paul leave NHS alot fatter than when we got here.
 So did we!!!!
 I, Ann Marie Zeno, leave Natick High School with a feeling of joy and knowing that I made it "Thanks to my friends" and that "I'M OUTTA HERE FOREVER! SEE YA! LATER MUCH!"
 We, P.F. and L.F. leave NHS, Boston, and Newton Corner forever!
 We, Diane and Mary, leave with the last laugh To Members of the Kleenex Committee: For we know what happened to Dave's sewing kit, your front seat, Jon's custom made locker, locker-room stories, and the phrase "see ya"
 WE, THE CLASS OF 81' LEAVE!
 We, the class of 1981, leave Natick High School remembering happy times we've shared, quiet talks we've had, funny things we've laughed about ... moments spent in simply sharing FRIENDSHIP.

I would like to take a moment to thank everyone who contributed to this yearbook for without these people there would be no Sassamon '81. First I would like to thank the yearbook staff for not only doing their own sections but for picking up other areas of the book that needed work. I would also like to thank Westwood Studios for the beautiful pictures for our yearbook. Their cooperation was greatly appreciated. Thanks must also go to Mr. Rosen for his constant support of the Sassamon, for without that we'd have never finished the book. Lastly I would like to express my sincerest thanks to Ms. Jane Rogers, our Yearbook Advisor. Her constant help and guidance made this yearbook possible. Ms. Rogers is an excellent teacher along with being a wonderful person and I feel these qualities made our yearbook the success it was. My warmest thanks goes out to everyone who helped put this yearbook together even in the smallest of ways.

Best of luck to the staff, Ms. Rogers and the class of 1981!

— EDITOR 1981 SASSAMON —

Open up and take it like a big girl.

Umm ... Let Me have some of that.

It tastes good!

Debbie Press displays her talent.

Mr. Talbot having his picture taken for a change.

Go for it!

And the gangs all here.

The football or your life.

With the last photo chosen and the final caption typed, I can take time to think back over my three years as Yearbook Advisor. What a Job! With every staff came new ideas and a different approach to creating the yearbook. In 1979, the theme "Retrospect of the 70's" won second place, and last years "Transistions" won first place in the New England Scholastic Press Assoc. Competition. This years staff certainly had a tough act to follow, but I think all the effort and hard work has paid off. You **have** "Left Your Mark" (as the theme goes!) in this book of memories.

Quite a lot of work goes into a yearbook this size . . . more than you would imagine. It's the little things, the attention to detail that makes your book special! First, I'd like to thank all of the staff who were truly dedicated to the book. Although most were beach bound after graduation there were a few loyal members to tie up loose ends, and put on the final touch. **A special thanks to Kathy O.** who upheld her responsibility as Editor right down to the very last page. A fine job!! Thanks to the K.K. club who gave up a few beach days and party nights to work on Nostalgia. (not to mention Gabe and Chris!)

Lastly, I'd like to thank all of the terrific students I've met (and hopefully influenced!) It's been quite an experience here at N.H.S. . . . from the first Humanities class, to the dances and ski trips, the water balloons and bake sales . . . to the embarrassment of singing telegrams or still being asked for a hall pass after three years of teaching!!

Good luck to all, students and teachers alike.

Ms. Jane Rogers
